RE: Sickler, Stefanie  
Docket No: 07-cr-64

While under Pretrial Supervision, the defendant has been reporting as required. All drug tests have been negative and she has maintained stable residence and employment. Ms. Sickler is the sole caretaker of her of her three year old daughter.

Based on this new arrest, Pretrial Services is requesting that a bail revocation hearing be held at the court's earliest convenience in order for the defendant to show cause as to why her bail should not be revoked. Pretrial Services has spoken with AUSA Shannon Jones and she agrees with Pretrial's recommendation. Pretrial Service has also contacted defense counsel, Ronald Acevedo, and notified him of this request.
